

Privacy Policy

Last Updated: 14 August 2024

Welcome! Your privacy is important to us. This policy explains how we handle your information when you use our sitemap generator.

What We Collect

- **Info You Provide:** When you enter a domain name to generate a sitemap, we only process that domain name. No personal information is collected.
- **Future Changes:** If we introduce usage quotas that require user accounts, we'll update this policy to explain how we handle your account information.

How We Use Your Info

- To generate the sitemap.xml file you requested.
- To monitor usage if we introduce quotas in the future.

Cookies & Tracking We may use cookies to improve your experience, but they won't track personal data.

Security We prioritize keeping your data secure, even though we currently don't store any personal information.

Changes to This Policy We may update this policy in the future, especially if we introduce user accounts. Check back here for the latest version.
