Calafiori:

1. Gacha Club Version:

Notes for Calafiori:

- Beneath his brown coat, he wears a half-tucked white shirt with the right side being untucked.
- Personality: Inspired by Red from Larva TV series and Spike from Flushed Away: A jerkass, a sadist and an arrogant person with hair trigger temper. But in the end, revealed to be an Ineffectual Sympathetic Villain and somewhat of a dimwitted person facing tons of unlucky situations. He is also a Casanova Wannabe who loves pretty ladies despite being rejected.

Notes for Kolasinac:

- Make him wear a dark blue tie tucked inside the sweater vest in the picture above.

- Personality: Inspired by White from Flushed Away. Even if he works for the bad guys, he is somewhat of a Gentle Giant despite his scary appearance albeit a bit of a dumb one at that and sometimes angers Calafiori due to his kindness.

Calafiori and Kolasinac height differences:

Calafiori height reference should be the guy on the left with red pants, Kolasinac height should be the guy on the right with green pants despite the fact Kolasinac is less stocky compared to the guy with green pants.
