Crowdsourced List of Curbside/Pick-up Food Resources for March-April 2020  
[Virtual Shop & Support Local Facebook Group](#)

[Grass Valley](#) \* [Nevada City](#) \* [Penn Valley](#) \* [Grocery & Sundry](#) \* [Delivery Services](#) \* [Other Lists & Websites](#)

**Version 2.0 underway as of April 10! Can't wait for you to see it. Thank you to all contributors!**

Please be patient with our local food establishments & staff as they attempt to serve customers & stay in business at this challenging time. Wait times on phones & pick-ups are to be expected. Hours and menus are likely to change. The link to the Restaurant's name is to their Facebook page where available, so you can check for recent updates.

This document is like wikipedia for local curbside & pick-up food sources in Nevada County. The original author has no connection with any of these businesses. Anyone can add information, so please do so through the comment feature.

**Please provide links to the establishment's Facebook page, and any announcements re: Covid-19 procedures.**

## **Delivery Services**

### **Pick up and Delivery**

Phone # 916-741-0556

My name is Norma, am a local Uber driver. I am available to pick up and deliver prepared meals from restaurants, grocery shop or pick up anything needed in town. Am healthy and take all necessary precautions to stay that way.

### **Friendly Home Delivery Service**

Individuals needing services can contact Deirdre at (530) 477-3333, Ex. 201 or [deirdre@FREED.org](mailto:deirdre@FREED.org)

Gold Country Community Services, Nevada County Foodbank, Interfaith Food Ministries, and FREED are partnering to identify **seniors, people with disabilities, and individuals with chronic health conditions who need support with home delivered groceries due to COVID-19 self-isolation or self-quarantine.**

FREED is also coordinating home delivery of other essential items such as prescriptions, personal care items, or other health and safety related needs for seniors, people with disabilities, and individuals with chronic health conditions who need support with home delivery due to COVID-19 self-isolation or self-quarantine.

This program is designed to meet an unmet need for individuals who cannot otherwise access basic needs during this time. All other resources should be explored before making a referral such as if the person can order online or pay for delivery services already available.

### **Other Lists & Websites**
