Pandora-Gilboa High School College & Job Shadow Form

The objective of the college visitation program is for you to have an opportunity to become more familiar with institutions of higher education and places of employment so that you can make a more informed decision concerning your future. We encourage you to attend college open houses held on Saturday, when possible, so that less high school class time is missed. If you need time off from regular school, you must abide the following regulations:

This form must be turned into the guidance office at least **ONE DAY BEFORE** the visitation.

1. A maximum of three (3) visits per school year will be permitted.
2. Students will NOT be given permission to visit a college or career during exam days.
3. Each teacher that you have (including study hall teachers) must initial this form so that they are aware of your visitation.
