Message to Your Homestay Student 研修生への メッセージ	Welcome to Michigan! Our family is very excited to meet all the university students participating in the collaborative learning program! We are also looking forward to hosting you at our home. One day, I would like my children to experience a homestay opportunity and study abroad. We hope we can provide YOU a great experience! I also hope that will share with the children how great it is to learn about another language and culture, and what you can do with that knowledge.		
About the Family 家族について	Billy and Lucy are very active and curious. Billy is in 3rd grade. Sally is in 2nd grade. I can speak a little Japanese, but my core language is English. I want to provide opportunities for my children to learn Japanese. It is important for them to know about the world. There are so many other countries, cultures, and people who do things differently, but share much in common. They are studying Japanese with the help of my father. They speak much better Japanese than me!		
Hobbies 趣味	Billy and Lucy enjoy soccer, water play, snorkeling, riding bikes in the summer, playing video games, shogi, card games, and much more. I (Sally) enjoy traveling, volunteer work, shopping, relaxing and reading a good book.		
Previous Visits to Japan (Where?) 訪日経験 (どこへ?)	We vacationed in Japan in the spring of 2013 (Tokyo, Kyoto, Nara, Nagoya). Billy's & Lucy's favorite experiences included staying at a ryokan in Kyoto, and going to Kidzania. They keep asking me when we can go back to Japan.		
Other Information その他	We live in the country, so there are lots of animals!
