Tech and feminism resources

Speakers:
Anasuya Sengupta: Whose Knowledge?
Jennifer Radloff: Association for Progressive Communications Women's Rights Programme
Sarah Aoun: Open Tech Fund

*General**

- Take Back the Tech! Take Back The Tech! is a call to everyone, especially women and girls, to take control of technology to end violence against women. It's a global, collaborative campaign project that highlights the problem of tech-related violence against women, together with research and solutions from different parts of the world. The campaign offers safety roadmaps and information and provides an avenue for taking action.
