Application for Health, Safety, and Environment (HSE) Officer Position

Dear Hiring Manager,

I am writing to express my strong interest in the Health, Safety, and Environment (HSE) Officer position at WSP. As a dedicated professional with a background in Civil Engineering from the University of Khartoum (2023), I am eager to bring my expertise in safety protocols to your esteemed team.

During my tenure as an HSE professional at Hassan Allam Construction from March 2025 to May 2026, I gained extensive experience in site safety compliance and risk management. I am also OSHA 30-hour certified, which has equipped me with the technical knowledge to maintain high safety standards in challenging project environments.

I am confident that my practical experience and commitment to maintaining a safe work environment make me a strong candidate for this role. I have attached my resume for your review and welcome the opportunity to discuss how my background aligns with the goals of WSP.

Thank you for your time and consideration.

Sincerely,

Yousif Mosdeg Hasneen Osman
