January 6, 2023

Good Afternoon,

Happy New Year! We hope everyone had an enjoyable break.

Winter is certainly upon us. With the colder, snowy weather in full effect, please remind your child(ren) to dress appropriately for outdoor activities. If the “feels like” temperature is 20° or higher, all students will participate in outdoor recess.

PTA Meeting Monday, January 9, 6:30 @ Grinnell Elementary School

Folks from the SAU will present information about this year’s budget and take questions. We will hold our regular PTA after the presentation in a breakout room at Grinnell. Grinnell is located at 6 Grinnell Road. Please feel free to contact us with questions.

NWEA Testing

NWEA Testing begins on Monday, 1/9. Please make sure children come prepared with their chromebooks charged and a set of headphones every day.

Kindergarten Registration

Kindergarten registration will open on Monday, January 30. We will provide you with more information once it becomes available. Check www.sau10.org for updates.

Lost and Found

We have many, many lost items we have collected over the last few weeks. Please have your children check the lost and found area (located outside the gym) if they’re missing anything. Also, our building is open from 3:00-4:00 for any parent who would like to come in and check the area if they have items missing. Labelling your child’s clothing with their name makes for easy returns back to the students.

Chromebooks

Just a reminder to everyone that Chromebooks should not be left in cars overnight as freezing temperatures or extremely hot temperatures will damage batteries and make the device unusable. Thank you for your assistance in this matter.

Sincerely,

Bill Fox
Principal

Kelly Carey
Assistant Principal
