

Pack 136 Fall 2018 - Street Clean-Up Schedule We have adopted the street Southwest Blvd. We start picking up trash at the intersection with Broadway (corner at Jolly Pirate Donuts) to the stop sign at Richard Ave. We pick up both sides of the street and the DQ parking lot. Please pick up any large trash you see in the field. Scouts that participate will get a free DQ ice cream treat upon completion.

This is a friendly reminder that your den will have street pick-up during the following assigned summer months.

#### Street Clean-Up
