Why You're Late To Work

It's 6:30 am, you go to brush your teeth... the toothpaste is empty.

Squeezing the tube, rolling it up, pressing it down,

Now it's 6:45 am, time's ticking.

Work starts at 8 am.

No time for breakfast.

Find out here, how to save time every morning.

Ad #3

Ensure Your Pet's Health

Tangled and matted fur causes your pet irritation, sores, emotional distress, and behavior problems.

Ultimately compromising their comfortability and health which can reduce their lifespan.

There's a way to avoid this, it just takes a swipe and a press.

Find out how you can ensure your pets' health here.

Ad #4

The Truth About Wired Gaming Headsets

They're cheap garbage or too expensive, *cough cough Astro*.

And all come to a similar fate:

Tangled cord, broken jack, or split in half.

Then suffering with the spare headphones and buzzing mic,

Leading to, "What do you do with a soccer ball?"

F

Ad #5

The Server Farm Gaming Setup

Most gamers suffer from unorganized cords.

Move your foot and kick a cord out,

Moving your monitor and unplugging your console,

Or going AFK to reorganize,

And then you lose the round.

Organize your setup here.

Ad #8

Low Battery 10% Battery Remaining

Charge your Apple tech 3x more efficiently.

And it's not a DIY charger.

It takes 3 hours to charge your iPhone,

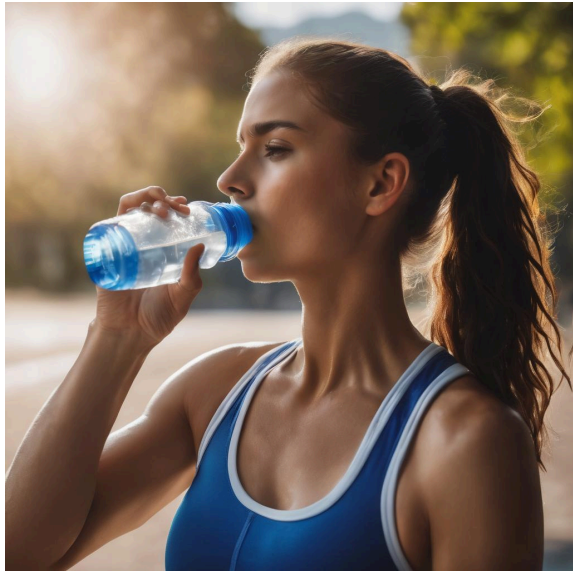

then your AirPods, finally your Apple Watch.

Just for them to die a few hours later.

Score the "hat trick" here.

Ad #9

The Simple Step to Stay Hydrated

Males need 3.7 litres of water a day and females need 2.7 litres.

Have you been hydrating?!

If not, here's a simple step to make sure you reach your daily intake.

It's not an app or free tracker.

Get hydrated and refreshed here.

Ad #10

If you hate brushing your teeth...

Then stop doing it!

There's a way to clean your teeth without spending time brushing.

Saves your time in the morning.

P.s. it's not some gimmicky liquid or an electric toothbrush.

Save time in the morning here.
