Questions:

Spotty.

Those Australian accents were AMAZING!!! Question for all you guys, do you think that 4k is a good idea for cubing videos? Considering things like editing and rendering speeds and the amount of people who will actually be able to take advantage of 4k videos in the cubing community.

Question for JRCuber and everyone: is it ok to cube in public? do you cube in public? What reactions do you get ? Is it showing off?

BerzerkKing

Jr Cuber, when do you plan to learn full OLL?

Sparsh Ailawadi

For everyone, what do you guys plan on taking on as a profession?

NoahDaCuber

for jessie, has anyone in public came up to you and said that they watch your videos

Andrew Tyberg

For all of you: What's the most frustrating/embarrassing DNF you've ever gotten in a comp?

Mine was when I realized during inspection that I'd forgotten to turn on my camera, so I turned it on and apparently that wasn't allowed.

Roy Lee

Which cuber do you think Chris Olson should interview? To everybody
