**A Million Dreams -** *Greatest Showman*

Verse 1:
```
G          D/F#          Em
I close my eyes and I can see
            C              G
A world that's waiting up for me
       D/F#       C
That I call my own
G            D/F#          Em
 Through the dark, through the door
              C            G
Through where no one's been before
       D/F#       C
But it feels like home
```

Pre-Chorus:
```
D                  Em            C
They can say, they can say it all sounds crazy
D                  Em            C
They can say, they can say I've lost my mind
D                Em           C
I don't care, I don't care, so call me crazy
D              Em            C
We can live in a world that we design
```

Chorus:
```
       G
'Cause every night I lie in bed
    D
The brightest colors fill my head
  Am                          C
A million dreams are keeping me awake
 G
I think of what the world could be
   D
A vision of the one I see
  Am                       C
A million dreams is all it's gonna take
   N.C.
A million dreams for the world we're gonna make
```

Verse 2:
```
G          D/F#          Em
There's a house we can build
            C              G
Every room inside is filled
       D/F#          C
With things from far away
G              D/F#    Em
 The special things I compile
              C                  G
Each one there to make you smile
       D/F#   C
On a rainy day
```

Pre-Chorus:
```
D                    Em              C
 They can say, they can say it all sounds crazy
D                    Em                 C
 They can say, they can say we've lost our minds
D                  Em                C
 I don't care, I don't care if they call us crazy
D                  Em               C
 Runaway to a world that we design
```

Chorus:
```
        G
'Cause every night I lie in bed
       D
The brightest colors fill my head
   Am                            C
A million dreams are keeping me awake
  G
I think of what the world could be
   D
A vision of the one I see
   Am                          C
A million dreams is all it's gonna take
    N.C.
A million dreams for the world we're gonna make
```
