NARRATIVE REPORT ON GIFT-GIVING/OUTREACH PROGRAM 2025

I. INTRODUCTION

In line with the promotion of youth volunteerism, social responsibility, and community engagement pursuant to Republic Act No. 8044 (Youth in Nation-Building Act), which recognizes the vital role of youth in community development, and anchored on the values formation goals of the Department of Education under Republic Act No. 10533 (Enhanced Basic Education Act of 2013), the Supreme Secondary Learner Government (SSLG) of Pantay Integrated High School successfully conducted its Annual Gift-Giving/Outreach Program on December 22, 2025, held at the Senior High School Gymnasium.

The program aimed to spread joy among children, share blessings with members of the community, and instill among student leaders the values of compassion, generosity, and service. This initiative reflects the school's commitment to holistic learner development by encouraging active participation in meaningful community-based activities.

II. OBJECTIVES

- To share blessings with the youth and spread joy.
- To create a bond with the children and foster a sense of belonging.
- To highlight that the organization is not only for within the school, but also beyond it.

III. SIGNIFICANT OF ACCOMPLISHMENTS

The program began with a prayer led by Nathaly Abibas, GSP Head, followed by the singing of a nationalistic song led by Jeffrey Cadavid, SSLG P.O., and a welcoming address by our principal, Sir Edgard Diñozo.

Several of our former SSLG presidents provided their inspirational message, including:
Rhodson Saltorre
Arjay Vitug
Josh Bernal
Mark Franz Suarin

This program was led by the SSLG officers, headed by their SSLG adviser, Sir Juan Miguel Pantaleon, along with teachers, Girl Scouts of the Philippines, volunteers, and of course, the highlight of the program, the children. The event was filled with joy as the children received gifts and opportunities to mingle with others. Not only that, the student leaders also showcased their dedication and passion as youth leaders. The event was a success thanks to those who helped, special thanks to the volunteers, teachers, donors, and those who attended this program.

Through sustained leadership, Pantay Integrated High School demonstrates that a true leader for the youth prioritizes their welfare, providing both joy and support as

integral components of their role.
