

Gibraltar Music Volunteer Opportunity

Are those music skills getting rusty? Want to help in your community? Become a Band/Choir “buddy”. Sit in rehearsal and play or sing along with the students, offering mentorship (notes, rhythms, rehearsal etiquette, tone, etc) for our young students.

If you are interested, here is what you will need.

- For choir: a singer’s mask that covers the nose & mouth securely & that hopefully allows you to breathe without sucking in the mask. Band: a player’s mask and bell cover. We are masked at Gibraltar and these are required to participate. The school can provide this for you.
- A background check. All adults in contact with our students need to pass a background check
- Your instrument! Your voice! In some circumstances, we might have an instrument for you. (how lucky if you’re a singer, as you carry your instrument with you wherever you go ;)

Join at your level of participation. Come for a day or come for a period. All we ask is for you to be consistent.
