Hi there! I care deeply about your privacy, and this page explains how I handle your information when you visit my website or work with me.

What I Collect

When you get in touch, request a quote, or browse the site, I may collect:

- **Contact details**, like your name and email
- **Project materials**, documents or instructions you send for translation
- **Browsing data**, general info like your browser or how long you visited, via cookies

How I Use It

I use your information to:

- Deliver the translation services you've asked for
- Communicate with you professionally
- Improve your experience on my website
- Keep things running smoothly behind the scenes

Sharing Your Info

Your information is treated with care and never sold. I may share it with:

- Trusted services I use (like payment processors or hosting platforms)

- Legal authorities, if I'm ever required to (rare, but important to mention)

Your Rights

You're welcome to:

- Ask what data I hold about you
- Request a correction or deletion
- Withdraw consent at any time

Cookies

This website uses a few cookies to help me understand how it's being used. You can turn these off in your browser settings if you prefer.

Legal Basis

This Privacy Policy is provided in accordance with:

- **Regulation (EU) 2016/679** (General Data Protection Regulation – GDPR)
- **Legislative Decree No. 196/2003**, as amended by **Legislative Decree No. 101/2018** (Italian Personal Data Protection Code)
