THE MIDVIEW SCHOOLS *Where the community educates and empowers*

January 22, 2021

Dear Midview Staff and Families,

Please take a moment to check out a great new event, our most current district newsletter, and district support opportunities.

Midview HS Showcase Night:

Midview HS Principal, Brian Siftar and the HS staff have created a Midview Showcase night to be held on Tuesday, February 1st from 6:00-7:30 pm at Midview HS. ***While this is geared towards our incoming and current HS students, this will also be a new event where parents and students from outside school districts, home schooled students, online students, and even younger students in our district can come in and learn about the new Midview HS course guide and course offerings.***

The flyer at the link below will go home with all families in Midview of students in grades 5-12, so please attend if you are able and encourage your friends to do so as well!

We are really proud of the courses we can offer and our HS staff has worked hard to find interesting and relevant offerings for our students. This is a perfect example of working to innovate for our students' passions and interests.
