

PikMyKid Parent App Registration Tutorial

1. Download the free app in your phone's App Store by searching for Pikmykid, using your phone to scan one of the below QR codes, or clicking these links: [iOS/Apple App Store](#) or [Google Play Store](#).

Scan below to download!

iOS

Android

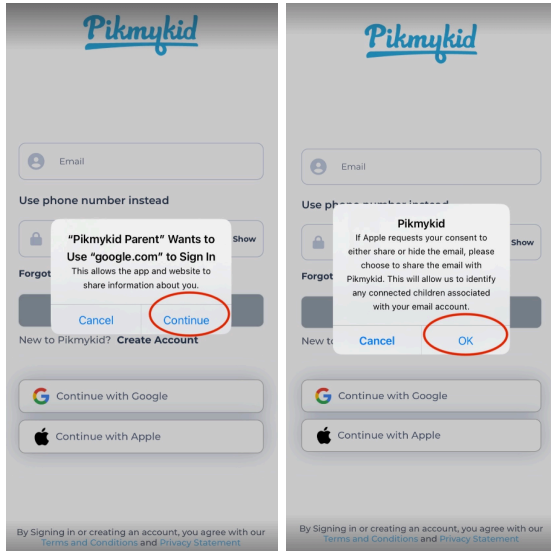

2. Open the app on your smartphone & click on “Create Account” or use your Google/apple account to register on the parent app.

The image shows the registration screen of the Pikmykid app. At the top is the Pikmykid logo. Below it is a form with an 'Email' input field. Underneath is the text 'Use phone number instead'. Then there is a 'Password' input field with a 'Show' button to its right. Below the password field is a link that says 'Forgot password?'. A grey 'LOGIN' button is positioned below the links. Under the login button, it says 'New to Pikmykid?' followed by a red arrow pointing to the 'Create Account' link. Below this are two large buttons: 'Continue with Google' and 'Continue with Apple', each with a red arrow pointing to it. At the very bottom, there is a small line of text: 'By Signing in or creating an account, you agree with our Terms and Conditions and Privacy Statement'.

3. (A) If you use your Google or Apple account to register on the app.

- Click on the desired option to continue with the registration.
- It will ask you to grant permission to the app to fetch your basic details from your Google or Apple account. Click on “Continue” or “OK” to grant the permission.

- In the next step, select the applicable email address that you would like to continue with registration.
- Provide a valid cell/mobile phone number and click “Next”.
- You will receive a temporary and secure code via text message to verify your ownership/access to the cell phone number. Please enter that code into your Pikmykid app to complete the phone verification and click “Next”. The application will display a message depending on whether it can find your registered phone number within your school's records. Click on continue.
- Please select the option “How would you like to get registered on the app?”

Help Us Understand You Better

Select an option below to best describe your role on Pikmykid

Parent/Primary Guardian

You are one of the primary parents managing the child's school pickup schedules

Delegate/Driver

You are authorized by a parent to pick up their children

Not Really Sure

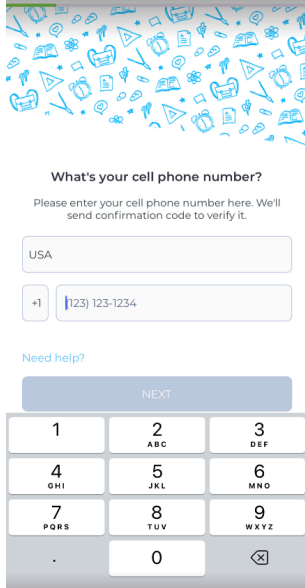

Please select this option if none of the above applies to you

3. (B) If you do NOT wish to continue registration using your Google or Apple account.

- Click on “Create Account”.
- Provide a valid cell/mobile phone number and click on “Next”

The screenshot shows the 'What's your cell phone number?' screen. At the top is a decorative header with various blue icons. Below the header, the text 'What's your cell phone number?' is followed by a subtext: 'Please enter your cell phone number here. We'll send confirmation code to verify it.' There are two input fields: the first is for the country code, currently set to 'USA', and the second is for the phone number, currently showing '+1' and '123 123-1234'. Below the input fields is a link 'Need help?'. At the bottom is a large blue button labeled 'NEXT'.

- You will receive a temporary & secure code via text message to verify your ownership/access to the cell phone number. Please enter that code into your Pikmykid app to complete the phone verification and click on “Next”.

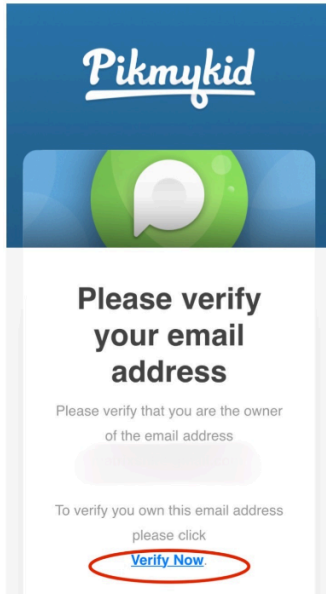

The screenshot shows the 'Phone number verification' screen. At the top is the same decorative header with blue icons. Below the header, the text 'Phone number verification' is followed by a subtext: 'We've sent a confirmation code on'. There is a link 'Change Number' in blue. Below this is a row of six empty square boxes for entering the verification code. Below the boxes is a link 'Resend Code' in blue. At the bottom is a link 'Need help?'. At the very bottom is a large blue button labeled 'NEXT' and a smaller link 'Previous Step'.

- The app will display a message depending on whether it can find your registered phone number within your school's records. Click on “Continue” for the next step.
- At this step, provide your valid email address and click on next.
- Allow Notifications

PikMyKid Parent App Registration Tutorial

- You will receive an email with a link to verify. Please access your email account and click the link in the email from support@pikmykid.com. Click on "Verify Now" to verify your email address successfully.

Please verify your email address

- After you confirm your email address, please return to the Pikmykid parent app and continue to the next step.
- Complete the fields for your First and Last Name. Do NOT use your student's name. This is your guardian profile for security purposes.

What's your name?

Please enter full name here which is registered with the school as Parent or Delegate

Sydney

Clermont

PikMyKid Parent App Registration Tutorial

- Choose a secure & private password for your account. Please follow the recommended guidelines listed on your app screen for security.

Set a strong password

A strong password will have an uppercase, lowercase, character, a number, and special symbol

- Please select the option How would you like to get registered on the app?
- Read and Accept the Terms of Use.

4. Once you have finished registering your account, the app will search our records to find a match between the guardian information you have provided & student records from the school.

- If a match is found you can proceed and access your student's information in the app.
- If a match is not found automatically, the app will request some additional basic information from you.
- If an account can't be found, please call the school office or email helpdesk@girard248.org.
 - Girard High School - 6207244326
 - Girard Middle School - 6207244114
 - R.V. Haderlein - 6207244327
- If you are someone who helps pick up students but is not one of the primary legal guardians-- do not worry-- a connection will be made once the guardians assign you pick-up responsibilities for the student in their app.

*If you have phone number or address changes, please continue to make these changes through your student's school office.

****Note - Messages -** There are NO text messages from admin to parents for PikMyKid. Parents who have the app will receive a push notification and an email. If parents do not have the app they only receive an email.
