

Welcome to Second Grade!

I am so excited that you are in my class this year. My name is Mrs. Shin. I will be your second-grade teacher. I look forward to meeting and getting to know all of you. During the next few weeks we will be learning so much as we get started.

I will go step by step and explain everything so that everyone understands the expectations and directions in the second grade learning. All you need to do is try your best and ask questions whenever you need help. Our year will be amazing!

We will all have to work together to make this year productive, fun, and memorable. Your first family assignment will be to check our classroom website and get all of your school supplies ready. I will need **all** parents to check the emails I send so they can help you at home. The easiest way to contact me is to email me at Andrea_L_Shin@mcpsmd.org.

In the meantime, I hope you enjoy your last few days of summer vacation and continue to stay safe. I will see all of you on our first day of school.
Hooray for second grade!

Sincerely,

Mrs. Shin
