

KIMCHI studio built the “Eldorado Game” app. This SERVICE is provided by KIMCHI studio at no cost and is intended for use as is.

This page is used to inform visitors regarding our policies with the collection, use, and disclosure of Personal Information if anyone decided to use our Service.

If you choose to use our Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that We collect is used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which is accessible at “Eldorado Game” unless otherwise defined in this Privacy Policy.

Information Collection and Use

For a better experience, while using our Service, We may require you to provide us with certain personally identifiable information. The information that we may collect about you through the Services broadly falls into the following categories:

- Data you provide us:
 - Any information you submit to our support team via email.

- Data we collect automatically:
 - Data and analytics about your use of our Services (e.g. in-game play progress, levels, games played, session length, preferred settings, in-game references or just game preferences, the means by which you were referred to our Services);
 - Your device type and the operating system that you use;
 - Broad geographic location (e.g. country or city-level location) based on your IP address.

- Information we obtain from third-party sources:
 - Information for analytics purposes, so we can provide you with better Services.

- We use your information for the following purposes:
 - We use your information for developing, delivering and improving our Service, other products and content, providing Service updates, technical troubleshooting, understanding and analyzing trends in connection with the usage of the Service, and administering the Service;
 - We use your information for understanding and analyzing trends in connection with the usage of the Service, gathering demographic information about our user base, data about where the Service was downloaded from. We may also create reports and analysis for the purposes of research or business intelligence, for example to track potential problems or to test our new features and content.
 - We use your information for providing customer support to you and to respond to your inquiries.

The information that We request will be retained by us and used as described in this privacy policy.

Log Data

We want to inform you that whenever you use our Service, in the case of an error in the app We collect data and information (through third party products) on your phone called Log Data. This Log Data may include information such as your device Internet Protocol (“IP”) address, device name, operating system version, the configuration of the app when utilizing our Service, the time and date of your use of the Service, and other statistics.

Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory.

This Service does not use these “cookies” explicitly. However, the app may use third party code and libraries that use “cookies” to collect information and improve their services. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your device. If you choose to refuse our cookies, you may not be able to use some portions of this Service.

Service Providers

We may employ third-party companies and individuals due to the following reasons:

- To facilitate our Service;
- To provide the Service on our behalf;
- To perform Service-related services;
- To assist us in analyzing how our Service is used.

We want to inform users of this Service that these third parties have access to your Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

Security

We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and We cannot guarantee its absolute security.

Links to Other Sites

This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by us. Therefore, We strongly advise you to review the Privacy Policy of these websites. We have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

Children's Privacy

These Services do not address anyone under the age of 4. The application "Eldorado Game" is designed for Families. We do not knowingly collect personally identifiable information from children under 4. In the case We discover that a child under 3 has provided us with personal information, We immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that We will be able to do the necessary actions.

CalOPPA and GDPR compliance

This Service complies with CalOPPA and GDPR requirements

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are Eldoradoed on this page.
