

Project Information Questions

from the Vision Fund Application

Please note that this document only contains the project information questions from the Vision Fund application. This is intended for planning & conference purposes, as the online application cannot be saved and returned to later. The full application will also include contact information for project leads, information on the group or individual applying, and an agreement to provide the presbytery with updates and news during and after the completion of the project.

What is your story about the project? (<250 words)

Tell us about your ministry project and what needs will be met if funded.

What are your goals for the project? How will you reach them?

With whom are you partnering/collaborating? What is the nature of the partnership (if not detailed elsewhere in application)?

In what ways does your request support the Presbytery's Vision and Mission?

What is the projected budget for your project, including income and expenses? Include potential sources of income.

How much are you requesting from the Vision Fund?

What is the proposed timeline of your project (starting date, key steps, ending date)?

How will you know your project was successful?

Do you have your answers ready? Head over to www.preswesres.org/visionfund to complete the electronic grant application!
