Auction on track, all set

Teacher week
Breakfast – idea of having 5th grade parents cook pancake / sausage bkfst for the teachers one last day of the week as a send-off; could have a food truck cater – far end of parking lot
Will talk with Lisa D. about possible options

KG Orientation May 7,8, or 9
May 19th – KG meet-up

80s theme for the spring / end-of-year festival

May 16 – tentative date

Dodgeball went well;
K-2 / 3-5 went well, got good feedback
Raised over \$1k from the 5th grade bake sale
Some of it will come back to cover costs
The rest will go into the end of year 5th grade programming

Budget
Kh is 10% of staff budget that goes back to the district for low income purposes
(see bottom, #3)

Paraprofessional budget:
Literacy position is the same amt of time
Instructional piece is same
Health room – funding has disappeared from BVSD (11 hrs vs 6 hours per week to supplement)
GT – same
Likely GT benefits will come back
“ instructional para benefits will come back

Reserve policy – to have 100% of the estimate for paraprofessional expense (\$99k)
And at least 50% of the rest of the budget
31k / 2 – \$15,500.

Add 1,000 for volunteer fingerprint reimb

Need to pay for t-shirts
Support playground improvements?

Idea to better promote PTA funded-items at the Auction and how they benefit families (i.e. paras – who they are and what they do; coat closet; garden; etc)
Will re-visit playground planning in May meeting, after the auction
Pre-approve budget of \$99k for 2024-2025 (9; unanimous)
