## Student Schedules and First Day Procedures

On the first day of each school year, students arrive on campus and find their first period class and location posted on the windows of the Cafeteria. Students are listed by grade level and in alphabetical order.

Staff are on hand before school to help students find their names and the locations of their first period classes. Complete class schedules will be shared with students in their first period class.

Students and families may enter Skyward Family Access the night before school.

Student schedules are published and available in Skyward Family Access after 4pm on the night before school.
