ESTABLISH A PEER HELPING PROGRAM

Three Days

This dynamic training is for all BEGINNERS in peer helping program development. Learn about program start-up, program implementation, and program maintenance. Learn how to apply NAPPP Standards and Ethics. Peer helping programs can include one-on-one helping, mentoring, mediation, tutoring, and leadership. This training is designed to help the adult professional learn the basic steps in putting together any peer-led program. Bring your ideas and creativity. This is a process-based training, and every participant will be involved. It's most effective when train a team.

BECOME A TRAINER OF PEER HELPERS

Two Days

Participants in this workshop acquire the tools and practice the skills to train peer helpers and build and sustain flexible, vibrant peer programs. Participants will be introduced to nine essential areas of training: helping roles, confidentiality and referrals, communication skills, decision-making, team-building, ethics, group management, group process, and organizational dynamics. Each participant will learn a variety of techniques that will make any training they lead more fun while enhancing the educational component. NAPPP Programmatic Standards will provide the foundation for all of these skills and strategies. Bring your ideas and creativity to this interactive workshop.
