

The standard not-so-fine print:

I will do my best to make a piece of custom art you love within the agreed upon timeframe, and if I'm unable I will contact you ASAP and offer a partial refund or bonus art. You are entitled to request specific changes in your commission, but if your request will require a major do-over I may require a small additional fee. Tips are welcome but not expected. Bigoted or abusive behavior will be met with a swift blacklist and no refund.

The art produced will be for personal use only unless we have explicitly agreed otherwise. I reserve the right to use your commission piece for my portfolio, Patreon, and social media, unless you request otherwise, but I won't resell it without your permission.

Above all, please remember that this is a collaborative process with a fellow human! If you have questions or want to check in on how it's going, please feel free to contact me.
