4. President's Report

President Bill Gigray

- a) FACTS is too quiescent, and inertia prevails without having active committees.

Board members' comments on Resolution to the formation of two committees, Resolution 2025-01 establishing Ada/Canyon Regional Pathways Standards Committee as a Standing Committee; and, Resolution 2025-02 establishing 52<sup>nd</sup> Street Bridge Project Committee as an ad-hoc Committee.

- b) Board recommendations for these committees by special invitation

- c) Letter to COMPASS requesting face-to-face meeting with Craig Raborn, Executive Director, in part as a follow-up to the Letter dated August 2017  
Assisted by Gary Segers

- d) Legislative concerns – Gary Payne as follows: Senate Bills 1140 and 1144 require Idaho road projects be designed for the “primary benefit of motor vehicles.” This change would limit efforts to enhance safety for pedestrians, cyclists, mobility impaired citizens, and other road users.
