Motion carried.

7. New Business:

- a. **Necedah Elementary School - High Impact School 2023-24:** Tanya would like to formally recognize Jessica McCracken and the elementary school staff for their recognition as a highlighted school of impact.

The Wisconsin Department of Public Instruction has named Necedah Elementary a 2023-24 Wisconsin School of Recognition, an honor highlighting its dedication to student growth and achievement. The Wisconsin School of Recognition program honors Title 1 schools that demonstrate success in educating all students, particularly those experiencing poverty.

- b. **Act 12 - Criminal Charges Report 2024-25:** Beginning this school year there are new reporting requirements mandated by 2023 Wis. Act 12, as outlined in state statute. The purpose of this statute is to collect data on state and local law violations that occur on school property.

- Incidents are required to be reported to the law enforcement and result in filing a charge or citation:
 - Homicide
 - Sexual assault
 - Burglary, robbery, or theft
 - Certain types of battery, substantial battery, or aggravated battery
 - Arson
 - Use or possession of alcohol, a controlled substance, or a controlled substance analog
 - Possession of a firearm in violation of the gun-free school zones law
 - Disorderly conduct in violation of a municipal ordinance
- To count as an incident: it must satisfy all three of the following criteria:
 - Incident occurred during one of the following
 - School hours
 - A School-sanctioned event that occurred before or after school hours
 - The transportation of pupils to or from school

- o The incident occurred on one of the following:
 - Property owned or leased by the school district in which the public high school is located
 - By the operator of the charter school
 - By the governing body of the participating private high school
 - Transportation provided by the public high school, participating private high school, or school district
- o A charge was filed, or a citation was issued.

Motion by Herried, second by McNally to approve the ACT 12 – Criminal Charges Report 2024-25. Motion carried.

c. **Transportation Request for Proposal Timelines:** The following are the timelines established for the RFP process for transportation services.

Time Frame for Transportation Request for Proposal

| | |
|-------------------|--|
| (August 4, 2025) | Request for Proposal Distributed to Selected Contractors |
| (August 28, 2025) | Proposal Deadline (1:00 PM) and Proposal Opening |
| (September 2025) | District Review of Proposals, Interviews, and Facility Visits |

| (November 2025) | Anticipation of Board Action on Transportation Contract |
| (Summer 2026) | Start Date of Service - begins with Summer School 2026 |

Motion by McNally, second by Ard to approve the timelines for requesting a transportation proposal for 2026-27. Motion carried.

d. **Preliminary Budget Review 2025-26:** This is a very raw preliminary budget, as we do not know if we have new money in the upcoming 15-17 biennium budget. There were notes regarding budget highlights and a copy of the preliminary budget in the board packet. We are looking at a deficit budget for the coming school year.

Motion by Herried, second by Horak to approve the preliminary 2025-26 budget. Motion carried.

e. **AGR (Achievement Gap Reduction) End of Year Report 2025-26:** Jessica McCracken will provide an update with the data analysis of the required AGR end of year report. The report can be found in your board packet.

. I would recommend the following **possible board action:**

1. Approve the AGR end of year report for 2024-25.

| Grade | Subject | Category | Base Performance Level beginning of the year | Fall Semester % of students meeting the objective | Spring Semester % of students meeting the objective |

Updates:

- **Public Records Request:** The following memo was sent to the Sunlight Report request for agenda, board packets, posting of meeting; legal counsel determined the only thing they are privy to is our posting. I sent them a copy of the dates of our board meetings, as well as our agenda for this month.
- **Town Hall Meeting/Village and Township:** Board members Roger and Matthew attended the Town/Village meeting on June 9th. There were approximately 10 people attending. I shared the background of our current financial status using the following bullets of the flyer.
- **Business Services Update:** We have hired Angie Wallschlager for Pam Darnell. She will officially begin in July; however, she is also working with Pam on June payroll. She has extensive experience in using Skyward and payroll from her 7 years in Mauston School District.
- **Voluntary Transfer/Appointment Update:** As you are aware, Cora Dillin has taken a middle school special education teacher position. Michelle Bulin has been transferred to her role as Dean of Students and Dave Decker has been appointed to the Athletic Director position. We are excited about these positive changes. The following document identifies the vision we shared with Dave Decker and some of the hopes for our future.
- **Sitelogiq Warranty Work Update:** Kris, Adam and I have met with Sitlogiq to express our concerns about the draining plan (surface drainage) in the back of our building. The solution does not meet the water demands of the downspout in this area of our school, and has caused significant washout, which could also lead to structural damage from the water backfilling to the building. They are working with New Beginning, our civil engineer, to

create a better plan for addressing the water issue. It appears that everyone agrees there is an issue that needs to be addressed.

- **Highway 21 Update:** We have accommodated for road construction for our summer school routes. We will redo routes in July, as the road experiences a total shutdown.
- **Bus Garage Update:** The bus garage is functioning effectively with Billie as our 'head' and Heidi Bridge as the assistant (doing most of the computer work). We also have Mike Olson helping with bus work as Billie needs assistance with maintenance. The team has been working together very well, and I am proud of their progress. I will continue to work directly with them around supervision, oversight, budget, etc. We will be getting our bus cameras installed this month. We have had success with the demo they provided us for the new bus and look forward to getting a reliable system in place.
- **Insurance Renewal:** I will be meeting with Marshfield Insurance broker to discuss our upcoming CIC Insurance renewal. He said we were looking at a 1% increase, which is very doable. I also asked our representative to provide us with a spreadsheet with annual costs and value for the past 10 years. I will share once I get this document.
- **CESA 5 Update:** Matt Sherwood has done a wonderful job to consolidate CESA 5 service with New Lisbon, which cut costs by approximately 18-20%. We are the fiscal agent for the consolidated services of Physical Therapy (Anderson) and our new MS/HS ID program (Prayther). We also cut additional secretarial and special education support services, as Matt Sherwood has taken on these roles. We are grateful for this work!
- **Biennium Budget Update:** I will share a handout. No increases in general aid and minimal in special education.
- The new website is up and running. Finance page is up to date. Videos are updated of Facebook live.

Motion: by McNally, second by Herried to adjourn. Motion carried.
