

## *Italian Food Tips*

*As their final supper before they depart this earth, the crew wants to prepare a scrumptious meal. They're short on time, but thankfully one of them knows a quick Italian dinner recipe!*

### Ingredients

#### [A]

- Be born on 22 January 1561 in London.
- Enroll at Trinity College at the University of Cambridge.
- Become the father of empiricism.
- Die while studying the effects of freezing on meat preservation.

#### [B]

- Kidnap Chez Panisse's founder.
- Deduplicate the chef.

#### [C]

- Grab a vampire.
- Grab a Boggart.
- Don't forget to remove the peel and separate the cloves.

#### [D]

- While trying to fix a soup you ruined, encounter a rat.
- Become a famous chef by having your hair pulled like a marionette.

#### [E]

- Take a photo.
- Try to remember how to smile.
- If you can't remember, try saying it out loud.

#### [F]

- This upcoming Sunday, April 9, keep track of where that bunny goes.
- Every time the bunny meets a good child, see if it leaves anything behind.
- Un-decorate the said item.

#### [G]

- Begin with a large, shallow pool of seawater.
- Cut off the pool from the sea.
- Let the pool evaporate for up to several months.

#### [H]

- Take a carbonated soft drink invented by Charles Alderton.
- Remove its medical license.

### Final recipe:

Combine [A] and [B] in a skillet. Bring to a simmer, then cook until crispy. Sauté [C] in the skillet until golden brown. Add to a bowl with [F], [E], and [H]. Meanwhile, boil [D] in [B]. Slowly pour remaining [B] into the bowl, then pour over [D] and mix. Add previously crisped [A]. Serve with [G].
