

Go to the following link: https://kidsboostimmunity.com/user/register
Choose the account type: Student
Type in your name and last name initial
The team registration code is:
Choose a password (and record it in a safe place or on this paper!)
Username:
Password:
And that's it! You're on the team and can now earn vaccines!

When you have finished registering, go to the LESSONS tab.

If this is your first time using the site, you must complete the "How to Use The Site" introduction quiz.

You will also be completing the following learning module(s):

1. Critical Thinking & Evaluating Information (all lessons)

Please keep this sheet for future reference as we will be doing more of the modules in the future.

Have fun!
