

Go to the following link: <https://kidsboostimmunity.com/user/register>

Choose the account type: **Student**

Type in your **name** and **last name initial**

The team registration code is: _____

Choose a password (and record it in a safe place or on this paper!)

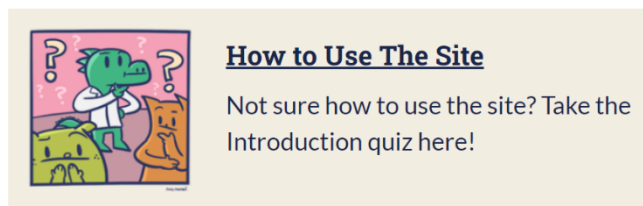

Username: _____

Password: _____

And that's it! You're on the team and can now earn vaccines!

When you have finished registering, **go to the LESSONS tab.**

If this is your first time using the site, you must complete the "How to Use The Site" introduction quiz.

You will also be completing the following learning module(s):

1. Critical Thinking & Evaluating Information (all lessons)

Please keep this sheet for future reference as we will be doing more of the modules in the future.

Have fun!
