PREPOSITIONS: Use these words to complete the sentences below.

down in back into of for off on out up about to with at from

I had been sitting at the kitchen table, working on my midterm assignments for three hours.

All of a sudden, my mother came in and pointed at me. "Where are the cookies I made for your sister's birthday?!" I had no idea what she was talking about .

"Are you accusing me of stealing cookies?" I asked. "Well, I left them on the kitchen table and now they're gone. What could have happened to them?" "I don't know! I didn't take anything off/from the table." At that point, my father came in with a bag of groceries. "What have you been up to?", my mother asked looking at him suspiciously. We were out of milk, so I went to Homeplus to get some. "We had plenty of milk this morning!". "Yeah, but that was before I found those delicious cookies. They went so well with milk!".

The paragraph below has many errors. Rewrite it, fixing as many of them as possible.

I is third grade student for university. But I not usually get good grades. maybe it is cause i drink too many soju. Or i late to class every days. My parent angry me. They say me that if I doesn't get more grades, they will stop pay tuition. Sometime I think I want quitting university. if i quits, I get job earning money and traveling Europe during 6 months. Almost friends wants to trip me also.

I am a third year university student, but I do not usually get good grades. Perhaps it is because i drink too much soju or am late to class every day. My parents get(are) angry at me. They say that if i don't get better grades, they will stop paying my tuition. Sometimes, I think i want to quit (drop out of) university. If I quit, I would get a job, earn money, and travel in Europe for 6 months. Most of my friends also want to travel with me.
