

⚠ Not all bots listed have been made/released yet! I am working on this, and will soon attach links to every character! (If there's a link attached, but you cannot chat with the bot, IT IS MADE, BUT IN THE TESTING PHASE! Be patient <3) ⚠

⚠ Due to a change in J.ai guidelines (rule 4.1), all bots highlighted in purple are no longer interactable! I will find a way to get them out to you! ⚠

I'm also gonna take a break bc all this bullshit abt the rules is stressin' me out :')
