

÷ Do You Ever Feel ... ÷

By Wren Brennan

Technology!
It's fun, it's neat.
It makes me feel
Really sweet.

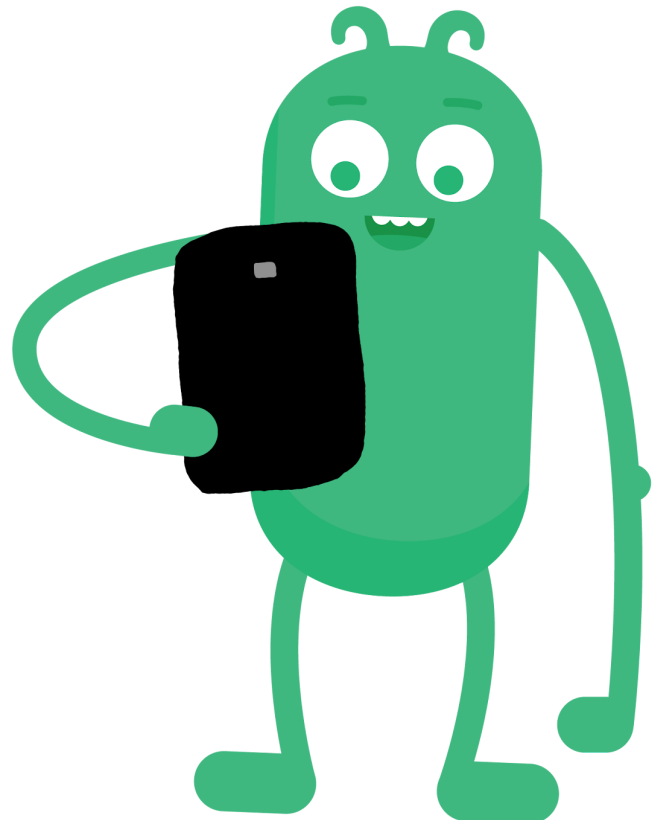

When I feel unsure
Or not OK,
I pause and think
And ask away!

But then sometimes
It makes me blue.
Do you ever feel
That way, too?

I find a grown-up
And I say,
Can you help me
Find my way?

When I'm happy,
I say woo-hoo!
When I'm sad,
I say boo-hoo!

When I feel my feelings,
I share them, too!
Whatever I'm feeling,
I say it to you!
