A tournament roster is only needed if you are ADDING a player that is not on your regular season roster

- Be sure that you have a temporary player release for any player that is from another club

- Tournament rosters must be submitted to the Associate Pacific District Registrar, Teresa Attebery 21 days before the start of the tournament
- Tournament rosters are only valid for that specific tournament
- Games played using tournament rosters do not count towards team/player games played for playoff credentialing
