Scenarios

01. Scenarios

We will be using one of the pools of scenarios from the match play guide. I will be rolling from the available pools. So prepare for anything! (I will re-roll duplicate scenarios)

2 hour round time

As recommended by the match play guide, all games will be played on 4 x 4 boards

Tournament Points system:

- 5 points for a win with a 10VP lead
- 3 points for close VP win (within 10 of your opponent)
- 1 point for draw
- 0 points for a loss
- Tiebreakers are scenario VPs

02. Battle ready

We would like that armies are painted to at least 3 colours and no plain plastic. **5 Tournament Points will be awarded for meeting this requirement.** But I would like to emphasise that it is not mandatory and would encourage anyone with unpainted minis to still come and give it a go!

Look forward to seeing you all there!!
