One night, Charlotte helped her Mom and Isabella decorate their front porch. They hung up orange fairy lights, and they hung up black and orange paper chains. They added some pumpkins on the side of the steps, their faces were creepy. On the poles of their house they added fake spider webs and added a big realistic spider.

Afterwards, when they were finished they went inside, Charlotte was tired. Charlotte said "goodnight mommy". Then she slid into her pajamas. She was super excited for halloween. The next day, Charlotte planned on what she was going

to be for halloween. Charlotte ran to her Mom, "Mommy, Mommy", Charlotte shouted. She showed her mom the drawing, she drew." Mommy i want this costume". Okay i'll buy it for you.

The next day Charlotte went to school. When she got home her mom told her that her costume came. Charlotte got the package and ripped it open. She said "Thank you mommy", "your welcome". That night she got all the accessories and her costume she put it on her dresser, then went to sleep early so she had energy for the next day.
