Parents and Guardians of Rising 7th Grade Advanced Math Students,

During the last week of school, your student will receive the required summer math preparation for Advanced 7th Grade Math. This summer packet includes a review of 6th grade standards covered in 6th Grade Math *in addition to* new learning of one 7th grade topic. Video instruction and practice of the new 7th grade standards will include Scaled Copies and Scale Factors. **This assignment is due Friday, August 29, 2025** and will be the **first graded assignment** in Advanced 7th Grade Math. New topics in this packet will be reviewed and assessed throughout the first trimester. Late work will be accepted until Friday September 5, 2025 for a maximum of 75% credit. Work received after September 5, 2025 will not receive credit.

Students will also earn tickets for successful completion of this packet as determined by the following criteria. Tickets will go towards great raffle prizes at the Summer Learning Celebration held in September.

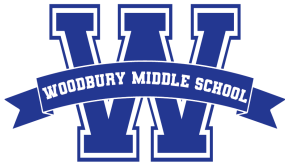

| % Earned | Number of Tickets |
|----------|-------------------|
| 80 - 100 | 20 |
| 70-79 | 15 |
| 60-69 | 10 |
| 50-59 | 5 |
| % < 50 | 1 |

Please note that the packet and the resources noted in the packet can also be found in the 7th Grade Summer Learning Google Classroom. Code to join the 7th Grade Summer Classroom is: **cjnetey**
