2.1.22

Good afternoon,

Due to the forecasted weather, we will not have school in person on Wednesday February 2nd, or Thursday, February 3rd. We will however be providing remote learning on both days. Building principals and teachers will communicate regarding assignments via email at the building level. If you have questions, please email the building principals or your child's teacher directly.

There will be no activities or practices on Wednesday as our buildings will be closed and our lots will not be clear.

If Friday warrants a decision, we will announce it on Thursday based on current weather conditions.

So hunker down, stay safe, do some school work and some reading, stay in pajamas, play in the snow, drink some hot chocolate…We will see you back at school as soon as we can!

Go Vikings! #TogetherTV3
