

Privacy Policy

Julia Kuznietsova built the AI Art Generator: Avatar Maker - as a freemium app. This service is provided by Julia Kuznietsova at no cost and is intended for use as is.

This page is used to inform visitors regarding our policies with the collection, use, and disclosure of Personal Information if anyone decided to use our Service.

If you choose to use our Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that we collect is used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions unless otherwise defined in this Privacy Policy.

Information Collection and Use

For a better experience, while using our service, I may require you to provide us with certain personally identifiable information. The information that I request will be retained on your device and is not collected by me in any way

The app does use third party services that may collect information used to identify you.

I do not control third party platforms, websites or online services, and I am not responsible for their actions. These platforms, websites and online services follow different rules regarding the collection, use and sharing of your personal information. I encourage you to read the privacy policies of these platforms, websites and online services to find out more about how your usage data may be used by these vendors.

Amplitude: behavioral analytics platform for product intelligence helping me understand user behavior and build engaging experiences. <https://amplitude.com/terms>

Log Data

I want to inform you that whenever you use my service, in case of an error in the app I collect data and information (through third party products) on your phone called Log Data. This Log Data may include information such as your device internet protocol ("IP") address,

device name, operating system version, the configuration of the app when utilizing my service, the time and date of your use of the service, and other statistics.

Security

I value your trust in providing us your personal information. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and I cannot guarantee its absolute security.

Children's Privacy

These services do not address anyone under the age of 13. I do not knowingly collect personally identifiable information from children under 13 years of age. In the case I discover that a child under 13 has provided me with personal information, I immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact me so that I will be able to take necessary actions.

Changes to This Privacy Policy

I may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes.
