

ADMINISTRATIVE/SUPERVISORY SALARY/FRINGE BENEFITS

The Board shall adopt annual salary ranges for administrators and supervisors based upon the recommendation of the Superintendent. The salary provisions are developed in relation to job responsibilities, the skills necessary for the position, and length of service.

It is the Board's intent to review and establish a procedure for determining all compensation plans on an annual basis. Input on salary and work related issues will be sought from each employee group.

Administrators' salaries will be determined by board action with consideration given to the assigned responsibilities and specialized training.
