

## Baseball/Softball Registration Policy<sup>1</sup>

### Procedure for Registration:

-All registrations will be done online; [www.theoaa.org](http://www.theoaa.org)

-Each player's Parents and/or Guardians are responsible for using the website for registration and entering accurate and truthful information for each player. That includes any medical/allergy concerns that a coach or OAA representative should be aware of and the correct birthday/grade level.

-The OAA can refuse any registration or move players between divisions/ages as they see fit. If any change of division is not acceptable by the parent/guardian/player, they are subject to a full refund as long as the player did not compete in any games.

-During the online registration process, you will be asked to read/understand and accept the OAA Code of Conduct/Disciplinary Policy as well as the Concussion/Sudden Cardiac Arrest Information Sheet. Accepting these during online registration acts as a signature from both player and parent/guardian to the agreements.

### Dates for Registration:

-3/4<sup>th</sup> Baseball, 5/6<sup>th</sup> Grade Baseball, 7/8<sup>th</sup> Grade Baseball, U10 Softball, U12 Softball and U14 Softball will begin in early February and run until the second Sunday of March.

-Late Registration is allowed with approval from the OAA and may be subject to a late fee. No late registration is allowed once games have begun (typically the 2<sup>nd</sup> week of May).

### Registration Cancellations:

-Code of Conduct/Disciplinary Infractions: If a player has to be removed from their team due to a code of conduct or disciplinary infraction, they will not be refunded any of their registration dues.

-Discontinuing participation: Any player who decides to discontinue their participation, is subject to a full refund if done so prior to games beginning.
