Hi! My name is Marty Doskins and I'm a Special Education teacher here at Singing Hills. This is my 3rd year at Singing Hills and my 9th year in Special Education. I earned my teaching degree from Metro State University in Denver and a Masters Degree in Education with a focus on Elementary Reading and Literacy from Walden University. When I'm not at school, I enjoy spending time with my family and my horses and dogs. I have fun helping my wife and daughter as the "pit crew" when they are barrel racing, I support my son who is the head coach of the Boys Lacrosse team at Chatfield High School, and I also love reading and especially listening to audiobooks. I'm looking forward to working with so many new (to me) kids this year!

Hi! My name is Trish Cauthon and this year marks my 30th year working in the field of OT! I've spent the majority of my OT years with children in both school and home settings. I'm happy to be going on my 6th year back with Elizabeth Schools, where I also spent the first decade of my career. Seeing the pride and sense of accomplishment on children's faces when they master new skills and gain independence is the best part of my job and brings me great joy! In my spare time, I love spending time doing anything at all with my family and grandchildren, hiking, reading, golfing and going on road trips.
