Sermon:

The Womb Cradles The Future

Scripture:

Luke 1:5-6

1. How are you as a couple viewed in the church?
2. Do you and your spouse walk in harmony within the boundaries God's word
3. As a single person if you so desire, are you view by God as a candidate for a spiritual marriage?
4. As man in the church how do you view the future with women in it?
5. Can there be a society or church without the womb?

Remember when answering these questions. It is stated that the female gender can out the image of God as she the female was created from the same created source Adam.

Genesis 2:21-22

Now to the text:

Luke 1:5-6

There was in the days of Herod, the king of Judaea, a certain priest named Zacharias, of the course of Abia: and his wife was of the daughters of Aaron, and her name was Elisabeth. And they were both righteous before God, walking in all the commandments and ordinances of the Lord blameless.

You have here a very interesting couple, Zacharias and Elisabeth, a priest with a wife. In Zacharias day the priests had grown so numerous that there was not enough room for all them to work at the Temple at one time; they were divided into twenty-four courses, and Zacharias would, come up to Jerusalem to take his turn in the service. Zacharias and Elisabeth were notable for excellence of character: "They were both righteous before God". But the great God, who reads the hearts and minds of all men, and see how we live in secret, counted them to be righteous. In their community, they were part of that community. Clearly seen by the society in which they live.

Luke 1:7-9. And they had no child, because that Elisabeth was barren, and they both were now well up in years. And it came to pass, that while he executed the priest's office before God in the order of his course, according to the custom of the priest's office, his lot was to burn incense when he went into the temple of the Lord,

The summary of the benefits and curses of the Law as given to Moses by God shows that if the nation were to be obedient there would not be any childless couples, or even animals, among

the people. It also shows that God himself is capable of either shutting up the wombs of women or opening it as he wishes (Exodus 23:26, Deuteronomy 7:14).

Certain offices of the priest were considered to be more honourable than others; and so, to prevent any jealousy, they cast lots as to which they should take turns. The lot of Zacharias to burn incense; this did not happen by chance. "The lot is cast into the lap; but the whole disposing of it is of the Lord;" and there was a special reason why this good man should stand at the altar at this particular time. The story proves that.

As a couple Zacharias and Elizabeth had a lot going for themselves.

John came from a spiritual couple and their son did extraordinary things.

The womb cradles the future always have and always will.

God created in women the ability to cradle humanity.

Genesis 1:27-28

And when it was all finish God said:

Genesis 1:31 it was very good
