

All Massachusetts students are eligible for a Boston Public Library (BPL) eCard, which then gives you access to many databases and resources for you to use for your academics. Follow the instructions below to create an account and access these resources:

1. Register for a Boston Public Library eCard:
<https://www.bpl.org/ecard-registration/>
2. Verify your registration via the link sent to your email.
3. Make sure to write your eCard number and PIN down somewhere that you can easily access it!
4. Complete the “My Account Setup” steps.
5. To access databases such as Gale or JSTOR (among many others), click “Learning & Research” at the top, then “Research” from the drop down menu, and then “Browse Databases.”
