How to find a program?

Parents/guardians, find out where your child/children can get healthy, daily meals this summer. There are multiple programs that offer summer meals at no cost. Check all these sources to see if there is a meal distribution site in your area. Those who are looking for summer meal sites can easily find locations through their cell phone or online.

Options include:

- Text "FOODGA" to 877877 from a mobile phone beginning June 1 and be provided geographically based results on the closest sites
- Visit GeorgiaFoodBankAssociation.org for a GPS-enabled map of the closet sites
- Dial 1-866-3-HUNGRY (1-866-348-6479) to find locations.
