

to realize the import of what happened in 1914, it would still make the youngest of "this generation" nearly 70 years old today. So the great majority of the generation to which Jesus was referring has already passed away in death. The remaining ones are approaching old age. And remember, Jesus said that the end of this wicked world would come *before* that generation passed away in death. This, of itself, tells us that the years left before the foretold end comes cannot be many.

6,000 Years Nearing Completion

There is another way that helps confirm the fact that we are living in the final few years of this "time of the end." (Dan. 12:9) The Bible shows that we are nearing the end of a full 6,000 years of human history. What significance does this have?

When God gave his laws to ancient Israel, one of those laws involved keeping the sabbath day holy. On the seventh day of the week there was to be no labor. The people were to rest from all their toil. (Ex. 20:8-11) The Bible states that "the Law has a shadow of the good things to come." —Heb. 10:1.

Revelation chapter 20, verse 6, shows that God's heavenly kingdom will rule over the earth for one thousand years after the end of this system of things. That millennium will bring a sabbathlike rest to the earth and all those then inhabiting it. Hence, the first six thousand years since man's creation could be likened to the first six days of the week in ancient Israel. The seventh one-thousand-year period could be likened to the seventh day, the sabbath, of that week.—2 Pet. 3:8.

How fitting it would be for God, following this pattern, to end man's misery after six thousand years of human rule and follow it with His glorious Kingdom rule for a thousand years! This Kingdom

Christians have prayed for during many centuries.—Matt. 6:10.

When Do 6,000 Years End?

How can it be determined when 6,000 years of human history will end?

According to reliable Bible chronology, Adam and Eve were created in 4026 B.C.E. From the autumn of

4026 B.C.E. to 1 B.C.E.	4,025 years
1 B.C.E. to 1 C.E.	1 year
1 C.E. to 1968 C.E.	1,967 years

Total to autumn 1968 5,993 years

This would leave only seven more years from the autumn of 1968 to complete 6,000 full years of human history. That seven-year period will evidently finish in the autumn of the year 1975.

Does this mean that the above evidence positively points to 1975 as the time for the complete end of this system of things? Since the Bible does not specifically state this, no man can say. However, of this we can be sure: The 1970's will certainly see the most critical times mankind has yet known. The deterioration in human relations—within families, communities, cities and nations, and between nations—will worsen, not improve. (2 Tim. 3:13) If the 1970's should see intervention by Jehovah God to bring an end to a corrupt world drifting toward ultimate disintegration, that should surely not surprise us.

If you feel that this is painting the picture too darkly, consider what warnings the hard facts have forced even men of this world to express. They sense that disaster is approaching, but, lacking the Bible's guidance, they do not know what to do about it. That is why *U.S. News & World Report* of June 10, 1968 said:

"What is developing, as many experts see it, is an era of confusion and doubts unlike anything experienced."
