

### 25/26 4K Friday Schedule

Please follow this schedule for the Fridays that your child will attend school. The Monday/Wednesday class does have more Fridays because of the days when there is no school on a Monday/Wednesday. While it often does fall as having school every other Friday for each class, this is not always the case. If there is no school on a Monday/Wednesday one week, then the Monday/Wednesday class will have school on Friday, even if they had school the previous Friday. This helps to even out the number of days each class comes to school.
