October 16, 2025

Dear Parents and Guardians,

We want to share an important update regarding this year's Senior Night celebration. After careful consideration and review of parent feedback, we have made adjustments to how we recognize our seniors in order to ensure the event remains meaningful and well-organized.

Due to the large number of seniors this year and the amount of time required to complete Senior Night activities, we are unable to hold the recognition on the football field before the game. It is best practice to allow the football teams to take the field prior to kick off to warm-up. With the game scheduled to begin promptly at 7:00 p.m., we must consider that with 45 Seniors to recognize in the traditional way, it would take approximately 90 minutes or more to recognize them all prior to the game. With that amount of time not being an option prior to game time, we have adjusted the time and location, yet kept the same traditions of Senior Night.

Beginning this year, and moving forward, Senior Recognition will take place during the **Senior Pep Rally. This year the Senior Pep Rally will be held on Friday, October 31, at 2:15 p.m.** The pep rally will begin first, followed by the Senior recognition program. During this event, parents and guardians will have the opportunity to escort their students, senior speeches will be read, and all senior students will be recognized and celebrated. This is the same process and traditions done in years past at Frost ISD.

In addition, each sport and organization will continue to host its own recognition event for Seniors during their respective seasons. All seniors will also be honored once more at the Senior Awards Ceremony in the Spring. The date and time for this ceremony will be determined and announced in the Spring.

We understand that change can be difficult, and we appreciate the feedback and conversations that have helped guide this decision. Our goal is to continue celebrating our Seniors in a special and memorable way while accommodating the growth of our student body.

Thank you for your understanding, flexibility, and continued support of our students and school traditions. We look forward to celebrating our amazing seniors together on October 31st.

Respectfully,

Susan Jones, Principal
