6. NEVER loop rope!!! Always fold it into your hand.
7. ALWAYS tie horses with a quick-release knot or quick-release snaps on crossties.
8. ALWAYS give horses plenty of space while walking by them (enough to be well out of the way).
9. Always follow directions. Never do something without instruction first!
10. While going in and out of doors or gates, go first, then let your horse follow you.
