

[V3.2 Guide] A Thousand Questions With Paimon

◆ By SoraHoshina

◆ Check out my [HoYoLab](#) profile~

- ◆ The event – '**A Thousand Questions With Paimon**' is set to be a trivia-based event that'll reward players with 5,000 Mora for each question answered correctly.
- ◆ There will be a **total of 10 questions** asked, so each player can get up to **50,000 Mora per day**. And since the event runs for three days, players will be able to obtain a **maximum of 150,000 Mora** during the entire event.
- ◆ A correct answer will grant rewards, while an incorrect answer will result in none. But don't worry as **players can restart the quiz** to retry the questions that were answered incorrectly at first to obtain the remaining rewards.
- ◆ Use **Ctrl+F / Command+F** with a **specific keyword** to find your questions.

◆ There are **some questions that have the same answer but a bit different questions / wording**. In this case, I will write both questions so you can search your questions faster. For that, pardon me if there are repeated questions at different numbers.

◆ All players will **receive random questions** and these questions are **not in any particular orders**.

◆ If there are any **mistakes or questions that are not yet available in this guide**, do not hesitate to point it out to me in the comment section of this **[post](#)**.

◆ Thank you to all those who provides the question and answers that I didn't add yet! **Your name shall be added to Hall of Glory at the bottom of the Docs** ♥
