- “Alrighty; sry for delay 930-1030 my main time of day for intraday scalping & then i ended up lettin myself stick around a little longer 😎 I guess just to cover a few basics first that I assume you know but just to ensure we are on the same page;

You can find any SEC filing through the EDGAR portal on the sec website sorted by ticker;

<https://www.sec.gov/edgar/search-and-access>

& here is a link to an investopedia article that defines a 13f, as well as some of the "limitations" of looking for insight from a 13f that I think are useful to be aware of;

<https://www.investopedia.com/terms/f/form-13f.asp>

The way I am understanding your interest in these; you are looking for more of an aggregator to look for "unusual" behavior, & not simply a specific 13f for a specific ticker?"
